Now That You're Retiring

Now that you're retiring
We can tell you how we feel;
Our heartfelt admiration
Is deeply felt and real.

You've been a great role model
For teachers and each kid;
You showed us how to be
In everything you did.

We'll miss your fine example;
We'll miss the things you gave;
Our pleasant memories of you
We'll recall and carefully save.

We wish for your retirement
The best of all your days;
May you discover sweet fulfillment
In new and rewarding ways.
